

Ann & Nate Levine Academy

Ann and Nate Levine Academy (Levine), a Solomon Schechter School, is a PS-8 Conservative Jewish day school that has offered superior education in a Jewish environment since the Academy was founded in 1979 by Congregation Shearith Israel. Levine is one of the leading academic institutions in the Dallas/Fort Worth area and is open to any race, color, and national or ethnic origin who are being raised within the traditions of normative Judaism.

Levine Academy engages the mind and body, while nurturing the soul of each student in an environment grounded in Jewish morals and ethics. Inspiring teachers guide students through a challenging curriculum of general and Jewish studies, instilling confidence in our graduates and a commitment to personal and social responsibility, lifelong learning, and the continuity of the Jewish people.

Inspiration — At the heart of Levine Academy's success is our award-winning faculty. Our 5-to-1 student-to-teacher ratio builds strong bonds between teacher and student which encourages and supports our students toward academic excellence and social success.

Knowledge — Our secular and Judaic curriculum challenges our students to maximize their academic potential resulting in more than mastery of content. They develop tools for self-learning, analytic thinking and the courage to question and probe in their search for the truth. Our graduates are well prepared to succeed in high school and beyond.

Character — In our family-like atmosphere, students from diverse ethnicities and backgrounds, bond as a community of creative, responsible, and caring individuals. Our Ethical Covenant provides the core values that are central to our school's philosophy — responsibility, respect, justice, citizenship, caring, holiness and integrity. These are traits we hope become an integral part of our students' character.
